

Appendix 1 – St Benedict Biscop Accessibility Action Plan

This action plan sets out the aims of our accessibility plan in accordance with the Equality Act 2010.

Aim	Current good practice	Objectives	Actions to be taken	Person responsible	Date to complete actions by	Success criteria
An accessible curriculum is available for all children.	Individual IEPs identify where curriculum adaptations are needed for individual children. Staff training supports the needs of the children currently in school. Termly IEP review identifies additional needs and informs school provision. SEND offer provides parents with information about expertise in the school.	All children will be able to fully participate in all aspects of the curriculum.	Staff CPD to ensure confidence supporting children with additional needs to ensure the curriculum is accessible. Additional training in supporting mental health and well-being.	SENCO	July 2026	All children can access the full curriculum with appropriate adaptations and support Children's mental wellbeing is a priority for all staff.
Resources within school support children's achievement	Teachers, in liaison with the school SENCO, provide resources in an appropriate format to meet the needs of the children in class. Coloured overlays, copying onto coloured paper, appropriate font size are identified for individual children as needed.	School resources are available in accessible formats. Resources and advice for parents are also accessible	Audit of parents for what resources they would find most useful. Use of artificial intelligence further enhances provision for pupils and supports effective adaptation.	SENCO	July 2026	Accessible resources support parents and children.
All areas of school are fully accessible	Ramp from school hall door to access forest school area.	Children and adults with limited mobility can access forest school	Quote for installing a ramp to be obtained.	Headteacher	July 2026	All areas of school are fully accessible.

Aim	Current good practice	Objectives	Actions to be taken	Person responsible	Date to complete actions by	Success criteria
to children regardless of mobility.	Until ramp in place main children's entrance door used for Forest school if a child in the class has limited mobility
