Value for Summer 2: Respect

We hope you are all well and keeping safe.

Today we have sent out some information about the teachers for next year. We have included details about an opportunity for your child to meet their new teacher and also a short video to introduce them. Some of the videos may not have gone through as they are a larger file size, let us know if you haven't received it and we will try again! We are awaiting further guidance about how we can operate safely in September but our aim is to ensure every child can be welcomed back into school. As soon as we have further information we will share it with you all.

Our Christian Value - Respect

Thank you to the children who sent me some work they had completed at home about respect and Martin Luther King. It was lovely to see how thoughtful their responses were and the conversations you had shared around this subject. This week I would like you to look at this bible quote "Do unto others as you would have them do unto you" Matthew 7:12. In the UN headquarters in New York there is a mosaic titled 'The Golden Rule' which uses this quote. How do you think you can follow this rule in your life?

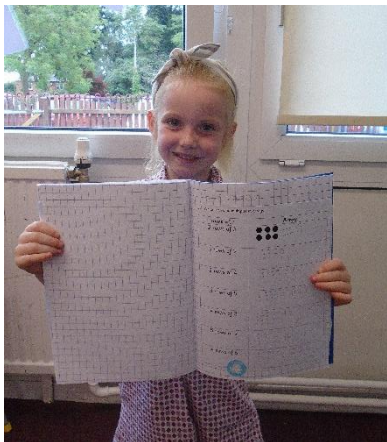

Here is **Isaac** making finger puppets based on the book: 'Room on the Broom.' We loved seeing Isaac's photo on class dojo and it inspired Isaac's friends to make a stage and create a puppet show for their puppets. Well done Isaac.

Theo has absolutely blown our socks off with his listening and his writing this week. He has listened so carefully to our story 'Three Billy Goats Gruff' and then challenged himself to make his own version of the story. What super writing Theo! You superstar.

Millie has done a fabulous job of growing her own sunflowers at home. I am so impressed with how tall your sunflowers have grown, you should be very proud of how well you have looked after them. Well done Millie!

I have chosen **Georgia** this week for working extremely hard in every lesson, demonstrating a positive attitude when coming into school each day and being a supportive friend.

Luke has worked amazingly hard throughout our time apart. He has completed the tasks set and looked for ways to enhance his learning. He has

messed me over class dojo many times with lots of wonderful creations he has produced.

Luke, I love your attitude and your positive approach to all that you do. Well done!

Samuel has maintained an active approach to our current challenges. He has made a real effort to look after his physical health with lots of football skills work and local walks – he even sent me a picture of a heron he spotted!

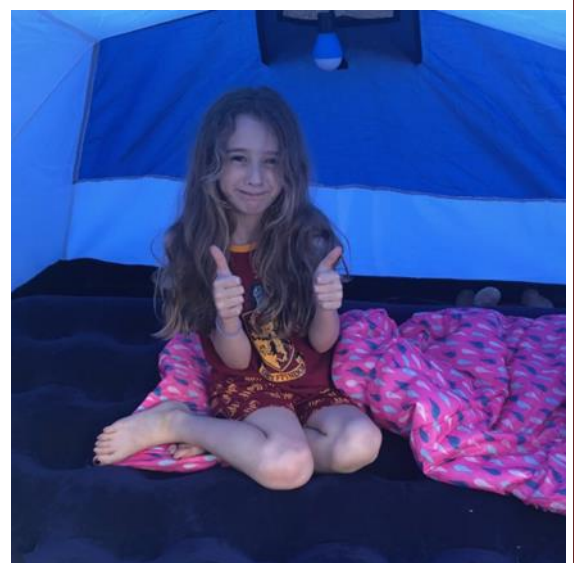

He has continued to attend his football training, even in the rainy weather last week, and has smiled throughout.

Thank you for sharing your experiences Samuel – you really made me smile!

Amelie has been determined this week, not only in her schoolwork but also in her outside interests. She has attended tennis lessons and has carried on working towards badges for her Brownies troupe – she even convinced Daddy to join her for camping in the garden!

Her schoolbook looks beautiful and she is achieving well in all that she sets her mind too. I am incredibly proud of her positive attitude throughout our time apart.

Well done Amelie – your amazing learning attitude is inspiring.

Harry has been chosen for Star of the Week because of the fantastic effort he made with his watercolour painting of a seascape, he worked really well blending the particular colours he needed. He's also been practising his tables on TT Rockstars, worked hard on new multiplication methods in Maths and enjoyed some work on symmetry in Art too. Well done Harry!

Miya has been working very hard throughout the whole of lockdown but particularly in school over the last couple of weeks. She has really engaged with the English work set and is enjoying the Lion, the Witch and the Wardrobe. She has also been working hard in every other subject and Miss Tromans and Mrs Willet's have been very impressed with her mature positive attitude to her learning. Well done Miya, keep it up!

I am really proud to choose **Lexi** as my star this week. Lexi has been a brilliant help at home this week. She has been doing house work, pegging the washing out and also helping to look after her brother and sister. Well done Lexi for acting for sensibly, whilst showing a grown up and caring attitude. Keep it up 😊

I would like to celebrate **Abigail's** hard work this week. She has worked with perseverance during maths lessons; we have returned to the algebra and algebraic sequences and she has used these skills very well in a murder mystery problem solving exercise that meant she was able to solve the crime and find out who the culprit was! Well done Abigail.

Hope has been picked this week as she has shown real enthusiasm and understanding of our class novel, 'Floodland.' Her discussion work showed great understanding of the text and she has produced a wonderful letter in the voice of one of the character using persuasive devices. Keep up the good work Hope.
