2 ETHOS AND MISSION STATEMENT

- 2.1 The Company's mission is as follows:

2.1.1 As educators, it is our responsibility to ensure that all children, regardless of, but pertinent to the school that they attend, enjoy and excel. Through school sponsorship we aim to ascertain that the potential of all children is realised and that this is achieved alongside nurturing a life-long love of learning. As a sponsor MAT, it is essential that we are motivated to help facilitate and swiftly achieve changes that will lead to enriched opportunities for our young people, whatever their start point. We strongly believe that, by working in partnership, we can utilise the strengths of all schools in the alliance, to inspire children and push the boundaries of what is possible. Our aim is simple: that all teaching inspires learning and fosters enjoyment and success in its many forms.

2.1.2 The starting point for learning in St Bartholomew's CE MAT is a positive, child-centred ethos and climate of respect and trust based upon shared values across the school community. Our distinctive Christian nature permeates all aspects of school life and our core values of love, care and forgiveness are at the heart of school life and learning. This shared set of values allows us to remain child-centred and standards driven, modelling behaviour which promotes effective learning and wellbeing within the local community. Through a thorough analysis of all available evidence, we aim to provide interventions and CPD wherever necessary to guarantee that all children are reaching their emotional and academic potential. Excellent teaching and learning starts in the classroom, with driven, enthused and knowledgeable practitioners, thus leading to inspired and motivated children.

2.2 The Academy will work in partnership with other schools, including those within the Company and the wider community, to provide high expectations, high aspirations and high achievement.

- 2.3 This mission is pursued through the Academy's interaction with all other academies in the Company, families, the wider educational community and society at large.
- 2.4 The Academy shall collaborate with other academies in the Company and also co-operate with other local schools, charities, statutory bodies and educational bodies in accordance with the Articles.

3 DIRECTORS' POWERS AND RESPONSIBILITIES

- 3.1 The directors of the Company (referred to in this Scheme as the "**Directors**") have overall responsibility and ultimate decision making authority for all of the work of the Company, including the establishing and running of schools and in particular the Academy. This is largely exercised through strategic planning and the setting of policies. It is managed through business planning, monitoring of budgets, performance management, the setting of standards and the implementation of quality management processes. The Directors have the power to direct change where required.
- 3.2 The Directors have a duty to act in the fulfilment of the Company's objects as set out in the Articles.
- 3.3 The Directors will have regard to the interests of the other academies for which the Company is responsible in deciding and implementing any policy or exercising any authority in respect of the Academy.
- 3.4 Article 100 provides for the appointment by the Directors of committees to whom the Directors may delegate certain of the functions of the Directors. In further recognition of the Directors' power to delegate under Article 105 and subject to the terms of this Scheme, responsibility for the running of the Academy from the Effective Date will be delegated to the committee established by this Scheme which shall be known as Local Governing Board of the Academy.
- 3.5 The constitution, membership and proceedings of the Local Governing Board is determined by the Directors and this Scheme expresses such matters as well as acknowledging the authority delegated to the Local

Governing Board in order to enable the Local Governing Board to run the Academy and fulfil the Academy's mission.
